## MANY REPORTS MADE SESSIONS YESTERDAY

**FEDERATION WOMEN'S CLUBS HELD FIRST BUSINESS SESSION**

**EDUCATIONAL OPPORTUNITIES**

**Betterment of Conditions in South Carolina is Theme Running Throughout the Entire Convention.**

The first business session of the 18th Annual Convention of the South Carolina Federation of Women's clubs began in the First Baptist church of this city yesterday morning at 10:30 o'clock with the president, Mrs. J. W. Allen of Spartanburg presiding. Nearly the entire day was consumed with reports of officers and reports from various affiliated clubs. The ladies were taken for automobile rides over the city yesterday afternoon shortly after 4 o'clock.

Many more delegates came in yesterday afternoon and some will arrive this morning. Over 130 delegates registered yesterday. In the absence of the recording secretary, Mrs. T. S. Silcox of Charleston, Miss Flossie B. Cooley of St. Helena Island is acting as secretary.

**Report of President.**  
The report of the state president, Mrs. J. W. Allen was one of the principal features of yesterday morning's session. Taking co-operation as the keynote of her address, she stressed the importance of all clubs in South Carolina working harmoniously and in unison in order to get certain measures brought about. She discussed the importance of more night schools in the State, and the part they were playing in wiping out illiteracy from South Carolina. She also called attention to the work which had been outlined by Mr. Johnstone on Tuesday evening, saying that it was in a great measure due to the Federation that this work had been started. Mrs. Allen reported the formation and organization of 15 new clubs during the past year.

**Recommendations Made.**  
The legislative committee recommended two important matters to come before the next general assembly:

1st—To make women eligible as school and library trustees.  
2nd—That a home be established for the care of the feeble minded of the state.

**No Illiteracy in South Carolina in 1926.**  
This is the slogan of the educational department. The chairman, Mrs. Walter B. Duncan of Aiken, reported that the federation was now giving out ten scholarships, four at Winthrop College, two at Lander College, two at the Confederate Home College, one at Converse, and one at Coker College. She said that these had been given to girls who were not able to go to college in any other way and that the competitive examination which had been held before which they went to girls who absolutely needed the scholarship fund. Mrs. Duncan also spoke of the importance of compulsory education, and its enforcement. This brought on a discussion in which Miss Elizabeth Dickson of Columbia, stated some facts in regard to this bill and how it could be brought about.

Mrs. Allen asked Mrs. Coker to take the chair while she spoke on this subject and the substance of her remarks were that this state wide law was coming, but that the women would have to work for it by degrees. Mrs. T. S. Silcox was asked how the law was working in North Carolina. She said that she was proud to say that North Carolina was the first of the southern states to adopt the state-wide law, and that it was being enforced as well as it could be without a special officer for this purpose, and she thought that if they did have a special officer it should be a woman.

The Savings Bank in the County.

## THE AFTERNOON SESSION

The afternoon session of the convention began at 3:30 o'clock and for about an hour reports from various clubs in the State were heard. The reports were very gratifying, and very clearly showed that the club women in South Carolina are active.

One of the principal features of the afternoon session was the address by Miss Julia Selden of Spartanburg on "Night School Organization." Miss Selden, as a worker for night schools seems to have no equal and she has done more for the establishment of these schools in South Carolina than any other woman. So great has been her work, that in her home county, Spartanburg, there is an enrollment of over 2,000 in these schools. In discussing the organization of night schools Miss Selden stated that it was very important to create public opinion in their favor. This, she said, would have a great influence on the legislators and would cause them to give the matter more serious consideration. Miss Selden stated that there were 17 states in the Union in which night schools were being operated and that 19 counties in South Carolina had them. She stressed the importance of proper supervision. She told of the co-operation of the people, their marked desire to learn and gave an illustration where an old man 73 years old had attended in order that he might be able to write his name. She stated that 25 per cent. of the voters now were unable to sign their names.

At the conclusion of Miss Selden's address numerous questions were asked and there was much discussion. Finally a motion was adopted to the effect that the South Carolina Federation of Women's clubs do all in their power to eliminate illiteracy in South Carolina during the next year, and that this matter be referred to the chairman of the department of education.

Mrs. Walter B. Duncan, chairman of the department of education, asked permission to allow her to present to the Federation the need of funds in her department. (Since many of the delegates had not then arrived, the matter was postponed.)

Mrs. J. E. Ellerbe, General State Federation secretary, being absent, Mrs. Frank B. Gary of Abbeville was asked to take her place and read the report of the secretary which had been sent in. The report was read and adopted.

The reports of five clubs in direct membership of the General Federation were then read.

In the absence of Mrs. J. A. Drake of Bennettsville, endowment secretary, Mrs. John Douglas was asked to read her report. The report had not arrived, and this matter was postponed.

There appeared to be a deficit of \$219 in South Carolina's assessment for the endowment fund of the General Federation, and the question of raising this amount then came up. Over \$118 was raised, and the matter will be brought to the attention of the Federation again today.

**The New York Biennial.**  
Mrs. Eugene Reilly of Charlotte, N. C., corresponding secretary of the General Federation of Women's clubs, then made an address on "The Forecast of the New York Biennial." Mrs. Reilly is a splendid speaker, and for about 20 minutes very delightfully entertained those present by telling them of the biennial which is to be held in New York city during the latter part of May. She gave a short sketch of the history of the General Federation; the purposes of the meetings, advantages to be gained by attending, and outlined the elaborate program which is being planned for the biennial.

The session then adjourned and many of the delegates took an automobile ride over the city.

## SOCIETY

### VERNER-SHANKLIN

Seneca, May 10.—Miss Pearl Verner and Mr. Morris Shanklin were married at the Presbyterian Manse at three o'clock yesterday afternoon. Miss Verner is the second daughter of Seneca and Mrs. E. H. Verner, of Oconee County. She is a young lady of strong and charming personality with many friends throughout this whole section. For the past two years she has spent most of her time in Greenville in pursuit of her profession, that of a Trained Nurse.

Mr. Shanklin is also from this county and now connected with the United States Forestry Service, being at present located at Long Creek in this county. For a number of years he was a traveling salesman and has numerous friends all over the State. Those attending the marriage were Mrs. T. O. Lawton, Miss Sloan of Greenville, and Mr. and Mrs. Frank Stutz of West Chester and Miss Grace Verner of Richland.

Mr. and Mrs. Shanklin left immediately for their future home, for the present at Long Creek, this county.

### FOR MISS MURPHY

Miss Lola Mosely, one of June's pretty brides was the honor guest at a delightful shower given by Mrs. Edna Taylor at her attractive home last night at seven o'clock on Tuesday afternoon. The house was filled with the music and brightness of many guests, and the occasion was one of the pleasantest of the season. Miss Mosely, a charming girl, was the center of much interest.

ment. The prize, a lovely sweet bouquet of sweet peas, was won by Miss Lola Wilson. Miss Major was assisted in her duties as hostess by Mrs. J. B. Humbert, Mrs. Joe Evans, and Miss Cleo Bailey.

After the contest, Masters Roscoe Mosely, and Charlton Evans presented the fair honoree with a package containing the many beautiful gifts of her friends present. An elegant salad course was served later.

### Birthday Party.

Little Miss Emmie Farmer was the pretty little hostess Monday afternoon for twenty of her friends in honor of her sixth birthday. After an hour of games, delicious cake and cream was served, followed by mints. She received many pretty and useful gifts and it was a very happy occasion for the little hostess, and each of her guests.

Messrs. A. B. Rosenberg of New York J. S. Leggett of Baltimore and H. P. Sherrill and J. H. Miller were jewelry drummers in the city yesterday.

Mr. Vess Moore of Piedmont spent yesterday in the city.

## TRIED TWENTY YEARS TO BANISH TROUBLES

**COLUMBIA WOMAN SAYS SHE SPENT FORTUNE SEEKING RELIEF**

**FOUND WHAT SHE NEEDED**

**Mrs. Lawton Declares Tanlac Gave Her Great Relief—Is Glad to Praise It.**

About twenty (20) years ago, Mrs. E. J. Lawton, of 499 Duke avenue, Ridgewood, a suburb of Columbia, began an effort in her interest that only her great determination and her faith in ultimate success enabled her to continue for these many years. But, at last, after many disappointments, she says, she believes the end has been reached. Even now, she feels almost like a new woman. Beginning in a new way just about five (5) weeks ago, she says, she is now rejoicing in the considerable measure of success she has met.

"I spent a fortune trying to get relief from my troubles," she said. Mrs. Lawton explained that she had been in search of some preparation which would successfully combat indigestion and a number of its accompanying ills with which she said she had suffered for almost a generation. She continued to say that she had tried dozens of medicines, but after she began to take Tanlac, "The Master Medicine," she immediately noticed a change for the better.

For twenty years she had worried along with her physical troubles, which Tanlac, after the first two (2) doses, noticeably relieved. Mrs. Lawton gave the following statement in praise of Tanlac.

"For twenty years I suffered, more or less severely, with indigestion and a number of ailments accompanying this trouble. I had headaches frequently, which made me miserable. After eating I would suffer with gas on my stomach, and a heavy full feeling in the region of my stomach. My food disagreed with me and I lacked energy. My system showed in several ways the strain it was under, going.

"After reading so much about Tanlac for several months and having my friends tell me of its value, I decided to try it. Though I had tried in the past a great many medicines, I had been unable to obtain satisfactory results. I spent a fortune trying to get relief, but at last Tanlac has been found and it seems to be just what I needed.

"I have just about finished taking my fifth bottle and my stomach seems to be a very much better condition. My food digests better and indigestion has been greatly relieved. My health is better in almost every way and my system is performing its functions much more satisfactorily. My head has cleared up and my appetite has improved much.

"Because I have spent almost a fortune trying to find relief, I am glad to tell everybody of the great benefit Tanlac has been to me. It certainly is worth saving many good words for."

Tanlac, the master medicine, is sold exclusively in Anderson by Frank Pharmacy, 222.

## No Better Suits Than These For the Money
